## **Republican Overseas appoints Jonathan Constantine as RO Chairman, Greece**

Republicans Overseas' Board of Directors has appointed Jonathan Constantine as the Chairman of Republicans Overseas Greece.

“We would like to congratulate Chairman Constantine on his appointment,” said Solomon Yue, Vice Chairman and CEO of Republicans Overseas, “and welcome him to our global RO family. Jonathan is already working on a bipartisan event to promote Territorial Taxation for Individual Americans Abroad. I appreciate his initiative in coming on board and immediately tackling one of the key issues—if not the key issue—for overseas Americans: ending citizenship-based taxation.”

The Territorial Taxation for Individuals event is expected to be held in May 2019 in Athens, Greece. Speakers will include Solomon Yue and John Richardson, a tax lawyer based in Canada. They will discuss how Congressman George Holding's Tax Fairness For Americans Abroad Act of 2019 could help to end double taxation for nine million overseas Americans.

“Republicans Overseas thanks Chairman Constantine for his willingness to fight for all overseas Americans' rights to equality and justice on tax issues, regardless of their political party affiliation. People interested in attending the Territorial Taxation event can send an email to [info@republicansoverseas.com](mailto:info@republicansoverseas.com) and request to be added to a mailing list for the Greek event.”
